Michal,

Here is the revised Chlorpyrifos response to Congresswoman Johnson, addressing your additional minor comments. Given the status on this topic, we wanted to check with you about proceeding, in case you wanted to hold this. We can send now to be responsive, and flag for OCIR to provide a subsequent status update to Congresswoman Johnson when appropriate.

Please let me know if you would like us to proceed with the next steps on this correspondence (review by OCIR, and then preparation for your signature).

Thanks,
Jonah
